The world's greatest city was chosen for being, and already being, your biggest competitor in Mexico. That was your great opportunity to show the world, with great effort and with the kind of commitment you have shown in the last 16 months, that you were a great mayor who would give the best to the city of Chico.. I would like to express how proud I am with the work you achieved with your initiative and with your commitment to Chico and to help this wonderful city to rise above its present circumstances, achieve the next level in terms of economic and social development -- a goal it is in the process of achieving even today.. You want to bring Chico-Iguala into the modern world by the same principles that were applied more or less everywhere: to create jobs and business opportunities for your citizens..
